

We're recruiting: Light Commercial Vehicle/HGV Technician

SMITH & SONS (BLETCHINGTON) LTD

About us

Smiths Bletchington is a dynamic independent family-owned company and leading supplier of primary and recycled aggregates to the construction and allied industries in Oxfordshire and the surrounding counties. In business for over a century, Smiths have an enviable reputation as quality operators winning numerous domestic and international health, safety, and environmental awards.

We require a qualified and experienced Light Commercial vehicle technician to join our existing team at our modern, well equipped Enslow workshops.

The successful candidate will have experience in the maintenance and repair of Light Commercial vehicles. Someone who takes pride in their work to meet our high standards and maintain our enviable reputation with the regulatory authorities. Ideally, we are seeking an individual to maintain our LCV fleet with the aptitude or ability to assist with the upkeep of our HGV fleet. Experience of working on EV's is desirable but not essential.

The role will suit a self-motivated individual with the ability to work well in a team.

A positive attitude is essential together with the ability to communicate well with others.

The position includes a competitive remuneration package and the opportunity to progress within a medium sized private company.

What we offer

- Salary Sacrifice Pension Scheme
- Life Assurance Scheme
- Reward and Recognition Schemes
- One days paid leave for Professional Medicals
- Company Sick pay
- Long Service Awards
- Holiday Increase with Service
- One days paid leave to volunteer
- Employee Assistance Programme
- Ongoing training
